GRAYCORE
— WHOLESALE —

BUILT FOR MODERN LIVING

What Sets Us Apart?

We combine premium materials, authentic wood-look finishes, and advanced waterproof technology to create products that perform as beautifully as they look. With dependable warranties, consistent quality, and trend-driven designs, Graycore delivers confidence in every project.

Dedicated Sales Support

Our experienced sales team is committed to helping you find the right solution for every project. From product recommendations to order support, we provide personalized service that makes the buying process simple, efficient, and stress-free.

Fast & Easy Installation

Our flooring features precision locking systems designed for quick, secure installation. Whether you're a contractor or professional installer, Graycore products help reduce installation time while delivering outstanding results.

Reliable Inventory & Distribution

With a large inventory of flooring, butcher block countertops, and wall panels, Graycore is equipped to supply projects of any size. Our dependable distribution network ensures products are available when you need them.

GRAYCORE
— FLOOR —

Premium SPC Flooring by Flooring International Outlets

Engineered for Beauty. Built for Life.

Graycore's premium SPC flooring combines authentic wood visuals, lasting comfort, and exceptional durability in one flooring solution. Featuring realistic synchronized embossing, a resilient rigid core, and a high-performance 4-layer waterproof construction, every plank is designed to deliver style, easy maintenance, and reliable performance for today's homes and commercial spaces.

Key Features

-  100% waterproof and moisture-resistant
-  Unilin Technology
-  Authentic wood grain with synchronized embossing
-  UV-coated surface for easy cleaning
-  Comfortable, noise-reducing rigid core
-  Highly wear- and impact-resistant
-  Anti-moth protection
-  Compatible with underfloor heating
-  Ideal for residential and commercial applications
